**Senior Adults Living Triumphantly**

At Comite, we have many opportunities for senior adults to be involved in the life of the church. Whether it's Bible Study opportunities, Wednesday night suppers, retreats, trips, Breakfast Club or other fellowships, you will find a group of senior adults bonded together by the love of Jesus Christ.

Those enjoying their "golden years" will find a loving and nurturing environment in which to learn God's Word and enjoy meaningful friendships. Opportunities include a senior's Sunday morning Bible Study, Tuesday Morning Breakfast Club, day trips and various events.
